What's New In 100 DOF Food Exchange Diet Planner Portable?

- Create custom meals - Color coded balance - Adheres to dietary guidelines - Can be used as a tool for daily calorie intake control - Encourages, helps and motivates you to get in shape
What's New in 100 DOF Food Exchange Diet Planner: v1.0.3 - Improved displaying of calories
Fixing issues while using the app
Optimizing the app for use with iPhone 6 and 6+
v1.0.2 - Improved menu - Bug fixes
What's New in 100 DOF Food Exchange Diet Planner: v1.0.1 - Bug fixes - Improvements in the menu - Added new foods
What's New in 100 DOF Food Exchange Diet Planner: v1.0 - First version of the app
IMPORTANT NOTICE To use all the features and the best functionality of the app, you need to activate the free (for 3 days) and then purchase the full version of the app. In the free version, you can plan for 7 days and use only the essential functionalities. You can enjoy all the functions and features of the app in full version. You can use it for a long time.
FAQ: + I activated my free subscription and do not see the first 3 days. It seems that you haven't activated your trial yet. You can try to activate your trial within the app, or you can go to your e-mail settings and activate it there.
+ I can only see the "Assign recipes" option. Go to Settings -> Subscription and Activation -> APN and then create a new APN there.
+ I want to use the app for a long time, but it takes a lot of memory. I don't recommend to use a lot of recipes. It's better to create 1-2 meals per day. You can, however, use a lot of recipes, and it will be displayed in the menu. You can enable/disable some of them.
+ I always get the message "Connection failed" in the app. Follow the steps below to solve the problem: In the menu, tap on the "Settings" button and then "Account Settings". Within the Account Settings, tap on "Advanced". On the Advanced Settings, tap on "Internet Settings". If the "Check Internet Connection" indicator is on

System Requirements:
