s'en joue, on s'en fout, on a une catastrophe annoncée. Mais qui s'en prend vraiment à autrui pour le faire? Pour moi, cela me semble être un traitement par tous les moyens de la part de « les autres » pour que je fasse cet exploit, cette démarche, cette évolution. J'ai rencontré un monsieur qui avait bien fait son rapport, un gentleman, un chevalier de la médaille de la ville, un cavalier, il me disait: « Lisez, voilà ce que je fais, j'offre un témoignage de l'égalité, j'offre l'égalité au plus proche de moi. » P.S.: écrire « être jeune » est assez facile et possible, c'est même essentiel en effet, mais expliquer ce que c'est, qu'est-ce que je veux dire, c'est difficile. P.P.S. : je ne cherche pas à me débrouiller seul.

## **Features Key:**

- A global audience of more than 64 million players – FIFA is the fastest-selling sports franchise in history.
- Get into the true spirit of the game as you compete against your friends on a FIFA Ultimate Team.
- A virtual manager mode where you can create your club, manage your players, and learn from previous seasons.
- Develop through 6 different gameplay methods, build your team, and add custom kits to players with your points earned from EA SPORTS Rivals.
- Use your coins and custom kits to upgrade your artificial intelligence.
- Play as any football club, developing your own unique identity.
- Game Modes – Live out your dreams as both a manager and a player in FIFA 22.

FIFA 22 introduces 'HyperMotion Technology', which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.

levels. Thanks to the work of more than 300 developers over three years, the “Powered by Football” engine has been redeveloped from the ground up to deliver a true-to-life experience. New career mode that’s better than ever Players can now follow in the footsteps of their favorite clubs, compete in a separate Premier League, discover and build a unique career, and have the choice of playing in a range of game modes, including Head-to-Head Online, MyClub, and FIFA Ultimate Team™. Fans also have access to an expanded Club Pass, which offers more ways to get connected to football. Bragging Rights Whether it’s matching your skills against a friend, playing against CPU opponents, or taking the field against your favorite clubs in an All-Stars match, the new Bragging Rights mode is more than just a way to earn FIFA Points. With an improved player-to-player mode that’s as easy to pick up as it is to get better at, you can challenge your friends and play solo against CPU opponents with a variety of options, such as online or offline, accessible menus, and different conditions. Improved gameplay controls A new meta-learning system that makes the controls easier to master and new control settings allow you to customize how you play the game. The ability to create custom tournaments or league structures, or to play solo for up to four hours with only one life, also offers fans a new way to compete. New Create-a-Club mode Players can now create their very own club from scratch and take control of a football dynasty. Start by designing your own stadium bc9d6d6daa

The biggest eSports and sports franchise of all time just got bigger. With the new Ultimate Team (FUT) feature, players build and manage a customizable squad of players in an online league and compete against each other for custom trophies. Now, you can create and customize your very own team of players to compete in online matches and earn trophies like never before. Fans can now play alongside their favorite FUT Pro for a new competitive experience, with more ways than ever before to earn rewards, unlock new content, and compete with the best Pro gamers in the world. Club World – Fight to bring your favorite club to glory by winning the ultimate promotion tournament. On a global level, players will have the opportunity to win the prestigious Club World Cup, competing against seven other online leagues for the title. Online Leagues – Compete online in the new online leagues introduced in FIFA 22. The leagues are organized and managed by the global leader in eSports, FACEIT, to give gamers the chance to compete in a more social, interactive and personal setting than ever before. There’s more to compete for than trophies, as the top players can also earn points towards the game’s ultimate prize – to become FIFA World Champion. A New Squad Value System – Compete against the best of the best in a dynamic Squad Value system that works in real-time as players compete. Squad Battles – Call on the help of friends and rivals to build a winning squad in up to 8 matches. Success in Squad Battles is dependant on teamwork and other members of the squad will be able to provide assists that you can use to score. Manager Challenges – Test your skills in a series of challenges created by the FIFA community in the ‘Manager Challenges’ section of FIFA Ultimate Team. GOALKEEPING Referee – FIFA 22 introduces the new FIFA Referee Mode, giving you the ability to step into the shoes of a game referee and take charge of the match. Player-implemented VAR, brand-new technical fouls, and an improved offside system come under your control. Develop and dictate the flow of the match with the new Referee Mode, providing unique abilities to manipulate key moments in the flow of the match. Improved Equipment – The new Player Menu now features improved equipment that reflects your chosen role with the new Player Kits, including Goalkeepers, Defenders and Creators who can customise their Ball Control, Dribbling and Speed traits
