-Sonic Team's Sonic The Hedgehog-series is one of the world's best-selling game franchises -Sonic Team has also released other celebrated series like Knuckles the Echidna and Sonic Boom For more information about Sonic Team and their history, please see www.sonic.net "This is our best Sonic game yet!" says Sonic Team's Chief Creative Officer and Co-Producer Toshihiro Nagoshi. "With Sonic All-Stars Racing, we're bringing together our current team and a bunch of new faces to create a new Sonic game that has never been seen before. We're so excited about it and I hope you'll all get to try it out." Sonic All-Stars Racing comes from the same team that brought the party-wowing Sonic & All-Stars Racing Transformed. It features a deep, challenging four-player battle mode that marries the physics-based gameplay of the Transformed series with the bonus content of Sonic & All-Stars Racing Prologue. Gamers can now race opponents in multiple modes and even craft unique vehicles. For the first time in the franchise, players can run and jump like their favorite character and collect in-game currency through a variety of environmental bonuses. What's New in Version 1.2.3:- NEW ACTION LYRICS: Play custom-made music based on your favorite Sonic the Hedgehog character with the Fan-A-Mix feature.- NEW THOUGHT BALLOT: Vote and comment on your favorite ideas with everyone.- SWIPE TO SHOPPING: Look for great items and gadgets to bring to the battle!- NEW KIDS INTRO: Go to the Kids' Shop to visit your friends and buy exclusive items.- OTHER CHANGES: Bug fixesIn U.S. patent application Ser. No. 11/011,939 to Meade et al., filed Dec. 29, 2004, entitled, "Horizontal Spreader Section in a Fiber Optic Cable Jacket", which is hereby incorporated by reference, a horizontal spreader section in a fiber optic cable jacket of a fiber optic cable is described. Most fiber optic cables used for data transmission contain a number of optical fibers. The optical fibers may be arranged longitudinally in a central strength member or in a number of so-called "loose tubes", which are usually made of extruded c9d1549cdd

Starting Point What does it take to get rid of 'Trump Derangement Syndrome'? Are we in its grip in Britain? Where's it all come from? And what happens if/when we rid ourselves of it? Trump Tweet of the Day (above) Tweet by @realDonaldTrump pic.twitter.com/r6yUm1vpp4 — BBC South (@bbcsouth) June 25, 2017 PLEASE NOTE: This is the same version of the Tweet as reported on BBC South on 28th June 2017, but it has been cleaned up here for Blog readers. What I Saw Today BBC South ran this as their lead item on the same-day news: If you didn't recognise the blue ticks, let me direct you to this post, a parody of the apologetics one site I was running at the time (first artist, David Bairstow a.k.a. Sparr) had prepared a picture of a small map of the UK, with a Buckingham Palace logo, marked up with 3 blue ticks, in fact what looks suspiciously like the domain for your Trump Twitter page. It was one of my first posts here that did this, it was in November 2007: And then — it's here. The TDS story, that was written in 2007, just before I abandoned Disinfo.com — with a quotation from a
