“A MIGHTY STRONG KNIGHT YET A LIGHTNING FAST AS WOLVES.” In the hands of the LORD OF VICTORY. THE ENDLESS FIGHT BETWEEN Tarnished and the Dark Lord Tharzain is now commencing. TO BE ARRIVED (August 2017) In this PlayStation 4 (PS4) game, you play as the protagonist, and obtain an invitation from Agarn, an agile young man, to join a warrior school called The Castle of Breeze, located in the Lands Between. In this world, you can freely roam an expansive world using an in-game automobile called the Passager. You can meet and interact with other player characters through a multiplayer party system known as Party. You can freely customize your character and gear up to travel on new excursions with other adventurers. In the world of *Tarnished*, there are various scenarios, including the basic scenario, where you search for items on your journey, a scenario where you find treasure chests filled with more than just items, and more. Every time you win and lose battles, your weapons, armor, and skills change. Powerful weapons and armor can be acquired as rewards for defeating enemies, in turn gradually upgrading your character. EXCEPTIONALLY SOUND TRACKS! All of the arrangements of the original soundtracks, composed by Otaku Escape, include unique soundtracks that add life to the game. MORE GAME MODES! There are many game modes, such as ‘story mode’, in which you start from a basic scenario, and have to defeat the enemies in a certain order. On the other hand, in ‘quick play mode’, you can play through the given story maps automatically. Since this mode is shorter than ‘story mode’, you can enjoy the combat faster. FULLY TOUCH BASED ON PS4! With its unique interface, it supports the functions found on the DualShock4 in ‘Shock Move function’. You can freely place items on the floor, add items to a chest, throw items, swim, and perform various actions using motion controls. You can explore the large world of the Lands Between
