It has a tone that the developers have achieved in previous games like Bard's Tale IV: Barrows Deep. It is a unique take on an RPG and one that appeals to most people." COSMOSAIC ● DOUGLAS R. BROWN, PocketGamer - 8.0/10 - "Since this is part of a series of games, you'll get what you expect; a good old fashioned fantasy adventure title with a familiar and welcoming environment, visual style and gameplay. This is a roleplaying game at it's best" ORI GINZBURG, GameRant - 8.5/10 - "Once again Petroglyph makes a foray into the fantasy realm and delivers an interesting and well crafted story with easily accessible combat. The game itself is essentially the same as the bff6bb2d33
