Sakura Knight 2 is a story based fighting game. While you fight in real time, you can explore the game's beautifully illustrated scenes. If you fail to defeat your opponent, they'll reappear after some time and you'll be able to go back to that map with a high score. All you have to do is to defeat the enemies that appear on the maps. The game consists of nine different maps, with four different path types. You'll be able to choose from three different characters. You can also change the difficulty at any time. Play Sakura Knight 2 now to find out! Find out more at the following official page: Want to know more about STARGRMOAST's plans? Check it out here. There are three more chapters until we get to the final game, "Chapter 9: The True Battle of the Lights." As one of the next generation of STARGRMOAST games, the latest chapter of "Sakura Knight" will finally reveal who the "Unknown Lady" is. The main heroine of this game is a skilled swordsman, known as the Heroine. She is very skilled with her blade, even being able to cut through other people's shadows. Her magic is simply inhuman. She is a skilled fighter and is capable of cutting off even the most powerful enemy with a single swing of her sword. There is a reason why she is an Asset of STARGRMOAST! Will there be a battle of the heroes? Of course there will be! All of this will be revealed in the final game, "Chapter 9: The True Battle of the Lights!" In the previous update, we've already seen that "Chapter 3: Through Sakura Knight's Eyes" was released. What makes this the most eventful chapter? Let's find out now! [Chapter 3 Introduction (in English)] Why don't you just move back? You're such a nuisance! You're in my way... Your shadow has been chopped off by my sword! And now you're a shadow! Get outta here, you impostor! This isn't the first time someone's taken my part. Why are you playing up to me this time? Let's fight! Don't call me a nuisance! How long are you going to fight like this? I won't stand for it
