## Best Service Forest Kingdom II Library ENGINE

forest kingdom 3 ist die erste wahl, wenn ausdrucksstarke ethnische instrumente sowie von der natur inspirierte klangwelten gefragt sind. besonders die neuen flten lassen sich bemerkenswert ausdrucksvoll spielen. aber auch die brigen instrumente wie die sehr dynamisch spielbaren trommeln und percussion-instrumente berzeugen auf der ganzen linie. und die organischen flchenklinge sind auch fr ambient, downtempo, chillout & co. eine echte bereicherung. forest kingdom 3 is a collection of exotic instruments inspired by the diversity of nature, the sounds of deep forests with colorful birds and the scents of lost jungles. version 3 expands the extensive collection of instruments by adding, among others, 10 spiritual native american flutes with excellent playability. i can say without any doubt that these are my best sampled flutes yet. close your eyes and get ready to dive deep into nature and its uniqueness. eduardo tarilonte the creator of forest kingdom 3 natural world of sounds is eduardo tarilonte, whose creative work has spawned libraries such as nada, dark era and desert winds. due to his attention to detail, sampling master eduardo manages to take musicians all over the world on a journey through deserts, forests and distant lands. the fantastical, outlandish sound libraries of eduardo tarilonte are always inspiring, from the very first forest kingdom pack back in 2012, which provided ambiances that implied sun-obscuring realms of wonder, to the lord of the rings soundtrack-evoking vocal suite shevannai: voices of the elves, to dark eras ominous medieval atmosphere in 2019. plaudits for tarilontes work have seen him rise to something of a celebrity in the sample library industry, with each new finely-tailored release being must-buys for otherworldly soundtrack-crafters. 5ec8ef588b
